

Who is Alpiq?

Click to discover more! Alpiq is a leading Swiss electricity producer and energy service provider and is active throughout Europe. We offer our customers comprehensive and efficient services in the fields of energy generation, marketing and energy optimisation.

What is Alpiq Group's management structure?

At 31 December 2020, the Alpiq Group's management structure comprises the three operational business divisions of Generation Switzerland, Generation International and Digital & Commerce.

Who owns Alpiq?

The canton of Solothurn sold its shares in Alpiq during the reporting year. The three shareholder groups EOS Holding SA, Schweizer Kraftwerksbeteiligungs-AG and the consortium of Swiss minority shareholders each hold one-third of the Alpiq shares. Learn more about Alpiq - thanks to the Annual Report 2020.

What makes Alpiq a sustainable company?

Alpiq understands and applies sustainability focusing on the three dimensions of the economy, the environment and social issues - also known as profit, planet and people. Click to discover more! Alpiq is a leading Swiss electricity producer and energy service provider and is active throughout Europe.

What makes Alpiq a good company?

Alpiq is committed to transparent and responsible business management, and pursues sustainable corporate development. Transparency and fairness are ensured by effective management and controlling systems, an open information policy and ethical principles. Except where otherwise stated, all information given is at 31 December 2020.

What happened to Alpiq?

This was terminated in 2020 and Alpiq refunded over CHF 50 million to Bouygues. Until 2019, Alpiq owned two coal-fired power stations in the Czech Republic until they were transferred to investor Pavel Tyka's Seven Energy Group at the end of August 2019, as Alpiq increasingly focused investments on renewable energies.

As a leading electricity producer in Europe with a highly flexible and efficient power plant portfolio and extensive experience as an energy service provider, Alpiq is familiar with the requirements for efficient and modern energy management and knows what characterises the successful management of renewable energies.

OUAGADOUGOU, Burkina Faso (AP) -- Burkina Faso's ruling military junta appointed a new prime minister, a day after dissolving the government without providing any reason. Rimtalba Jean Emmanuel Ouedraogo, until now communications minister and spokesperson of the government, will be the West African
