Is enersol part of ADNOC Drilling?

Enersol is part of Adnoc Drilling's efforts to offer more services and capture a larger market share, Mr Salem said. The Adnoc subsidiary's oilfield services sector has grown since Baker Hughes took 5 per cent in the company for \$550 million in 2018.

What is enersol & how does it work?

Launched in January, Enersol is a tech-centric investment platform aimed at bolstering Adnoc Drilling's fast-growing oilfield services business, which makes up about 17 per cent of the company's revenue. In June, Enersol became a majority shareholder in US-based Gordon Technology, which specialises in measurement while drilling (MWD) technology.

Does enersol own Gordon Technology?

In June, Enersol became a majority shareholder in US-based Gordon Technology, which specialises in measurement while drilling (MWD) technology. MWD helps oil and gas companies collect and send important real-time data during drilling operations.
