

To request information about Business Entities whose Certificates were issued earlier than May of 2022 please contact Anguilla Commercial Registry Office. &#215; IMPORTANT: Commercial Registry and Beneficial Ownership Act, 2022

A portal in which you can find all relevant information related to Public Procurement in Anguilla. According to Public Procurement legislation the Public Procurement Office shall be responsible for the development of the public procurement system in Anguilla and shall carry out all functions assigned under the law.

Anguilla's vulnerability to the effects of global climate change is disproportionately high when compared to the country's very small contribution to generating greenhouse gases (GHGs) through consumption of fossil fuels. To some extent, Anguilla has the opportunity to address these challenges by implementing

In April 2022, Anguilla launched its tailor-made modernized system called the Commercial Registration Electronic System (CRES). The system is comprised of the Customer Due Diligence Register, Beneficial Ownership Register, Commercial Registry and allows for the reporting of entities conducting a relevant activity.

Anguilla is moving away from its dependence on conventional fossil-fuel energy and tapping into modern energy sources. In an event held on Wednesday, 22nd February, 2023 at the CeBlue Villas and Beach Resort, an innovative renewable energy project, Resembid, was launched through the Anguilla Renewable Energy Programme (AREP).

In recent years, Anguilla has experienced significant progress in its efforts to foster economic growth and attract investment. Central to this advancement is the adoption of the Commercial Registry system, known as CRES (Commercial Registry and e-Services), which has replaced the outdated ACORN (Anguilla Companies Online Registration Network).

In order to support the wider reporting requirements and enable more digital services, the current registry system, Anguilla Company Online Registration Network (ACORN), will be replaced by the Commercial Registry Electronic System (CRES).
