What are the best portable power stations?

To help you decide, I tested the efficiency, in a variety of scenarios, of the best portable power stations from Jackery, EcoFlow, Anker, Goal Zero, Bluetti, Dakota Lithium, Lion Energy, Vtoman, and Ugreen. What to Know Before Purchasing a Portable Power Station

Is a portable power station a good investment?

A portable power station is a great investment and can be a real lifesaver. If you're looking to get one, we've got you covered with the best options. There are many uses for a portable power station.

What are the different types of portable power stations?

See the FAQ below for key differences. The top portable power stations, also often called portable power generators, fall into two broad categories based on the method they use to collect and store energy: electric and solar. Many times, solar portable power stations are also rechargeable via AC power, serving as a rechargeable generator of sorts.

What is the IP67 rating for a portable power station?

This unit has a rating of IP67, which is beyond impressive for a portable power station. Ingress Protection (IP) Testing is conducted by a third party to evaluate how well a product protects against dust and water. The first digit represents its dustproof rating, and the second digit represents its waterproof rating.

Are LiFePO4 power stations portable?

With the new LiFePO4 battery chemistry, I personally found that units in the 1000 Wh range were fairly portable, while those that were closer to 1500 Wh were more of a chore to pick up and move around. Power stations that stood out as especially difficult or easy to move around have been noted in the individual reviews.

What is the most expensive portable power station?

There are also battery expansions for the Mango Power E. The one downside is the price tag, as this unit also comes through as the most expensive portable power station with a list price of \$4,250. Milwaukee M18 Carry-On Power Supply: This is a different unit to include on this list, but it does meet all the requirements, so here we are.
