The British Indian Ocean Territory (BIOT) is a small archipelago in the central Indian Ocean. It doesn't have a traditional economic driver due to its limited population and function as a military facility for the UK and US. However, there are a few key sectors that provide employment and contribute to the territory's upkeep. Military and Defense

On Thursday 3 October, my right honourable and learned friend the Prime Minister and Mauritian Prime Minister Jugnauth made an historic announcement: after two years of negotiations and decades of disagreement, the United Kingdom and Mauritius have reached a political agreement on the future of the British Indian Ocean Territory. The treaty is neither ...
