

Burkina Faso siraj power dubai

Who is sirajpower?

As a dedicated provider of solutions pertaining to solar energy in the UAE, and the GCC region, SirajPower offers comprehensive turnkey solar power solutions that encompass the development, financing, construction, operation, and maintenance of solar solutions for commercial and industrial applications in the GCC region.

Why should you choose SirajPower?

SirajPower is a preferred long-term partner committed to serving customers for the solar system's lifetime. Instead of self-investing or buying a solar system and assuming all risks, SirajPower offers fully financed solar solutions with risk-free tariffs at a discount to your utility rate, providing instant savings with no upfront costs.

Does SirajPower offer a risk-free solar system?

SirajPower offers fully financed solar solutions with risk-free tariffs at a discount to your utility rate, providing instant savings with no upfront costs. Rather than self-investing or buying your solar system and assuming all risks, let us do what we do best, so you can focus on what you do best.

Courtesy of Pixabay A landlocked country in northwest Africa, Burkina Faso shipped US\$4.47 billion worth of exported products around the globe in 2023. That dollar amount reflects a 37% increase from \$3.26 billion in 2019. Year over year, overall sales of Burkina Faso's exported goods slowed by -1.7% compared to \$4.55 billion during 2022.
