Can a 35CM bed box be used for storage

Are under-bed storage boxes good for kids' rooms?

This twin-pack of 45-litre under-bed storage boxes are brilliantfor kids' rooms,regardless of whether or not you choose to put them under the bed. If you do,the fact they're on wheels means that children can pull them out easily themselves,and more importantly wheel them back away again!

What can I use a storage box for?

They'd also be great for fascinators, headbands and rolled scarves, too. The storage boxes can be folded down when not in use, and the fabric has anti-odour and mould properties, preventing nasty whiffs from wafting up from under the bed.
