

Can the storage bed accommodate a suitcase

What is a suitcase storage bed?

These are beds for business, designed for demand. Perfect for guest rooms or those who are pushed for space, the suitcase storage bed bases help you utilise every inch of storage available and allow guests to keep their luggage stored discretely whilst keeping rooms clutter-free.

Can you put a suitcase on a bed?

It is not recommended to keep suitcases on the floor or the bed. Multiple pest control articles have mentioned that placing luggage on the hotel room's floor or directly on the bed could result in bringing home a bedbug infestation, however minuscule the chances of such a thing might be.

What is a suitcase storage Hideaway divan bed base?

This luxurious Suitcase Storage Hideaway Divan Bed Base is constructed from the highest quality British timber right here in Great Britain by expert craftsmen. This bed base provides excellent support for all types of mattress, including heavy pocket spring mattresses along with an innovative industry first suitcase storage system.

Can You Put your luggage on the bed?

Putting your luggage on the bed can be very dangerous. Many people think that they'll be more comfortable if they lay their luggage on the bed, but the truth is that you should never do this. This is because the bed has a soft mattress, usually surrounded by pillows and blankets.

Can a suitcase open on one side?

The suitcase opening will be on one side as standard, with an option for opening both sides (in double sizes and above) and exposed; an upholstered velcro flap is available on request. At Mattison Contract Beds, we offer a range of standard divan base options to suit a variety of needs.
