

Christmas Island empowersun solutions llc

Ensign's subsidiary EmpowerSun Solutions is also garnering national recognition for developing a platform for underserved communities that provides customized solar planning resources and connects landowners with pre-certified project partners.

EmpowerSun Solutions LLC (Entity #20241058818) is a Limited Liability Company in Boulder, Colorado registered with the Colorado Department of State (CDOS). The entity was formed on January 17, 2024 in the jurisdiction of Colorado.

EmpowerSun Solutions specializes in facilitating solar energy projects for community landowners by providing comprehensive evaluations of land's solar potential. Their software generates detailed feasibility reports, assessing factors such as sun exposure and grid connectivity, and estimates financial returns from solar investments.

*About the American-Made Solar Prize: The American-Made Solar Prize is a multi-million-dollar prize competition designed to energize U.S. solar innovation through a series of contests and the development of a diverse and powerful support network that leverages national laboratories, energy incubators, and other resources across the country.
