Is Cocos Keeling Islands a protected area?

In March 2022, Parks Australia declared the Cocos Keeling Islands marine park a protected area. So if you swim, snorkel, or dive, marvel at the many incredible species that have clung on to survive and thrive around the healthy reefs and in deeper ocean waters. Spot clams while snorkelling the protected marine park. (Image: Lynn Gail) 10.

Where are the Cocos Keeling Islands?

Flip open a map of Australia, wave a magnifying glass some 2700 kilometres north-west of Perth and you'll find Cocos Keeling Islands glistening in the Indian Ocean. Look closer: 27 sand-smudged islands don't so much leap from the ocean, as lay luxuriating in blissful blue-gem waters.

How do the Cocos (Keeling) Islands communicate?

The Cocos (Keeling) Islands have access to a range of modern communication services. Digital television stations are broadcast from Western Australia via satellite. A local radio station, 6CKI - Voice of the Cocos (Keeling) Islands, is staffed by community volunteers and provides some local content.

How do I get from Cocos Keeling Island to home island?

If you have time for a little pre-planning and a spare eight hours up your Cocos Keeling Island holiday sleeve, talk to the Visitor Centre team on West Island about how to island walk, between Islands. You'll need to catch the ferry to Home Island - the service runs several times a day.

Why are the Cocos Islands called the Keeling Islands?

The territory's dual name (official since the islands' incorporation into Australia in 1955) reflects that the islands have historically been known as either the Cocos Islands or the Keeling Islands. The territory consists of two atolls made up of 27 coral islands, of which only two - West Island and Home Island - are inhabited.
