

Compensation for roof collapse caused by photovoltaic panels

Can I claim compensation for mis-sold solar panels?

If you feel you were mis-sold solar panels for your home you could claim compensation. Back in 2019, it was reported that the Financial Ombudsman Service had around 2000 complaints from unhappy customers who felt they had been mis-sold their solar panels, with more coming in every week.

Can I recover money if my solar panels are faulty?

Every case is different, however, you may be able to recover up to 100% of your money as well as any other losses (for example, if the solar panels are faulty and not performing as well as promised). How do I make a claim for mis-sold solar panels?

What happens if a storm damages a solar panel?

For instance, a homeowner in Cornwall faced £5,000 in repairs after a severe storm damaged their rooftop solar array. Their specialised solar insurance covered the full cost. Also, a Yorkshire farm had stolen ground-mounted solar panels, resulting in a £15,000 loss.

Can you get compensation if your solar panels are mis-selling?

If your solar panels are not reducing your electricity bills or providing you with the financial subsidies that you were originally promised by the company who sold them to you, you may be eligible for compensation. The solar panel industry is yet another of those currently embroiled in a mis-selling scandal.

Can I claim solar panels if a company closed down?

This means you may be able to bring your claim against your financial provider even if the company which sold you the solar panels has closed down. How much can I claim?

Does solar panel insurance cover injuries or property damage?

Liability for injuries or property damage: Solar panel insurance typically includes liability coverage, protecting the policyholder if the solar panels cause injuries or damage to other people's property. This coverage is crucial for safeguarding against potential legal claims and associated expenses.
