Green renewable power supplier Eunice Energy Group is leading a consortium that aims to create a hub for the production and distribution of green hydrogen on Greece's Crete island, with co-financing from the European Commission (EC).

Croatia eunice energy group

Since 2013, the Group has actively been developing hybrid renewable energy solutions, combining the latest wind, PV, storage and smart-grid technologies. The Group is a leading partner in a high profile European Union project, HORIZON 2020.

Eunice Energy Group primarily serves sectors that require clean and sustainable energy solutions, such as residential, commercial, and industrial entities seeking energy autonomy and independence. It was founded in 2001 and is based in Athens, Greece.
