The implementation of the proposed Solar One Limited plant in Kibos, Kisumu, will start immediately, President Uhuru Kenyatta has announced. He said the project has received all requisite ...

Kibwezi Sunpower & Tauber Solar S plans, finances and operates major solar power plants on rooftops and in open spaces in Germany and the rest of Europe. Since its foundation in 2001, the Group has already completed over 520 solar power plants, including the largest roof-top plants in the world, which are now providing clean energy.

Our mission is to consolidate a fully integrated energy company in the energy sector, encompassing upstream, midstream and downstream activities, as well as distribution and commercial, while gradually incorporating renewables into the value chain.

Kibwezi Sunpower & Tauber Solar S plans, finances and operates major solar power plants on rooftops and in open spaces in Germany and the rest of Europe. Since its foundation in 2001, the Group has already completed over 520 solar ...
