Who is energy Asia Group?

Founded in 1989 by Mike Nandwani, Energy Asia Group Pte Ltd initially specialized in used tubulars, ranging from drill pipes to drill collars and heavyweight pipes, catering to the drilling requirements of contractors in the region. Today, Energy Asia Group has expanded its offerings to include oilfield equipment alongside tubulars.

Does energy Asia Group sell oilfield equipment?

Today, Energy Asia Group has expanded its offerings to include oilfield equipment alongside tubulars. We are also actively seeking to acquire unused surplus as well as used equipment and tubular to enhance our inventory.

Who is Energi Asia?

Energi Asia was once just an Oil and Gas infrastructure investment company with a vision, which has since extended into trading.

What products does energy Asia offer?

We offer oilfield equipment as well as tubular products. Founded in 1989 by Mike Nandwani, Energy Asia Group Pte Ltd initially specialized in used tubulars, ranging from drill pipes to drill collars and heavyweight pipes, catering to the drilling requirements of contractors in the region.

At EM Group, we encourage you to take control of your future. We provide opportunities to unlock your full potential in Curaçao. Or use it as pathway to one of our other offices as many colleagues have done before you. Our team operates and works together globally, and your ambitions are your only limitations.

Earlier this year, Aqualectra placed an order with W&A for a Battery Energy Storage System (BESS), as well as W&A's GEMS Digital Energy Platform. The combined system will enable the expansion of renewable energy capacity, representing an important step towards a sustainable energy future for the island.

What began as the "Handel- en Industrie-Maatschappij Curacao" has blossomed into the expansive CTC Group of Companies, an efficient and innovative organization with a global footprint. Since 1991, CTC Group has been part of the Koen Visser Group, entrepreneurs established in 1892. At CTC, our story is one of evolution and commitment to excellence.
