

Hell Energy Drink (stylized as HELL) is a popular energy drink brand distributed primarily in Europe and Asia. The brand was initiated in 2006 by a privately owned company, founded in Hungary, 2004, which took the name "Hell Energy Magyarorszag Kft." in 2009. [1] Within three years it became the market leader in Hungary. [2] A major milestone for the brand's popularity ...

The factory will be built in phases and is expected to create thousands of local jobs, boost the local economy and support local supply chains. The new production facility will incorporate the most advanced global technology and highly automated production processes to create a leading global new energy passenger vehicle manufacturing facility.
