

Ethos energy group Tonga

What is EthosEnergy?

EthosEnergy makes energy affordable, available and sustainable by supporting you through the complexity of business today and future transition.

What makes EthosEnergy a good company?

Every organization has a responsibility to make a positive difference in the world. That's why EthosEnergy is committed to making energy sustainable, affordable and available for everyone, everywhere. What guides us on our journey to achieving this, is the unwavering commitment to excellence and leadership of each and every one of our people.

How many employees does EthosEnergy have?

The company employs more than 3,600 individuals across 23 global sites and facilities. "EthosEnergy is uniquely positioned to meet the growing maintenance needs of an aging turbine fleet," said Ante Kusurin, Partner at One Equity Partners.

Will OEP support EthosEnergy as a partner?

"As we seek to enhance and grow our operations, we are pleased to have OEP backing us as a partner," said Ana Amicarella, CEO of EthosEnergy. "OEP's longstanding and deep industrial sector expertise will support EthosEnergy as we serve growing needs in a critical industry." Financial terms of the private transaction were not disclosed.

Is EthosEnergy a good choice for aging turbines?

"EthosEnergy is uniquely positioned to meet the growing maintenance needs of an aging turbine fleet," said Ante Kusurin, Partner at One Equity Partners. "As energy demand rises, these turbines are being pushed beyond their initial design parameters, creating significant opportunities for EthosEnergy's flexible, cost-effective services."

Are EthosEnergy job offers a scam?

Fraudulent job offers can and have been made by individuals, organizations, internet sites or social media accounts that claim they represent EthosEnergy. In some cases, job seekers are asked to pay a processing or work permit fee or provide personal details in order to begin their job. Are you looking for your next role?
