Algeria Reggane Nord. Reggane Nord is operated by the Groupement Reggane Nord (GRN), representing its partners Sonatrach, Repsol and Harbour Energy (24% interest). There are six gas fields in Reggane Nord which are connected to a central processing facility with gas export via a pipeline connecting to the Algerian national pipeline network.

At the heart of Algeria's energy landscape transformation is its revised hydrocarbon law (Law 13-19), introduced in December 2019. This legal framework offers significant improvements to attract foreign investors, addressing concerns over Algeria's historically rigid energy sector. Through more favorable fiscal terms, simplified procedures ...
