Who is Mantis energy?

"We are Mantis Energy and we believe that new and existing homes can be built better. We design new and existing buildings into energy efficient, low running cost, future homes"

Who is Icelandic power insurance?

Icelandic Power Insurance is a captive insurance company, which handles insurance and reinsurance for Landsvirkjun's power stations and, in addition, supervises insurance for construction projects. Hraunaveita ehf. took on specific tasks in connection with the K&#225;rahnj&#250;kar Project, but now has no operations.

How many power plants does Landsvirkjun operate in Iceland?

Landsvirkjun operates 21 power plants in Iceland concentrated on five main areas of operation. Landsvirkjun was founded on 1 July 1965 by the state of Iceland and the city of Reykjav&#237;k. The city of Reykjav&#237;k contributed to the company three power stations on the Sog River.

What happened at Reykjanes power station?

From December 2023 staff based at the Reykjanes power station controlled remotely the geothermal Svartsengi power station which was threatened by volcanic activity.
