

Joulebank is a brand focused on the R& D, production and sales of solar energy storage equipment. We provide competitive, safe, reliable and trustworthy products, solutions and services to our customers. With its strong R& D ...

Joulebank è un marchio focalizzato su ricerca e sviluppo, produzione e vendita di apparecchiature per lo stoccaggio dell'energia solare. Forniamo ai nostri clienti prodotti, soluzioni e servizi competitivi, sicuri, affidabili e degni di fiducia.

Joulebank offre unità di accumulo di energia sia fisse che mobili, integrando inverter, batterie, BMS e gestione dell'energia in un unico dispositivo. Questi sistemi presentano un design modulare che consente la configurazione flessibile di fotovoltaico, batterie e carichi.

At Joulebank, we are more than just a manufacturer of residential energy storage equipment - we are pioneers of sustainable power solutions. With a legacy spanning 20 years in the energy industry, Joulebank has solidified its reputation as a trusted name in the field.

Joulebank is a brand focused on the R& D, production and sales of solar energy storage equipment.
