

They turned to Moore Energy to design a reliable grid-tied solar system so they could utilize the renewable energy of the sun to power their home. The couple wanted to reap all the benefits of the solar system, which, for them (and an increasing number of people around the world), meant adding back-up to the system.

Unlike temperature, which typically varies significantly between night and day, dew point tends to change more slowly, so while the temperature may drop at night, a muggy day is typically followed by a muggy night. ... The average daily incident shortwave solar energy in Saint Barthelemy is gradually decreasing during August, falling by 0.5 kWh ...

Le 24 août, fête de la Saint Barthélemy, à 3 heures du matin, le carillon de l'église de Saint-Germain l'Auxerrois, en face du Louvre, a résonné la Cour, se met à sonner le tocsin. C'est le signal qu'attendaient les massacreurs. Coligny est éborgné; dans son lit et son cadavre jeté; dans la rue et livré; aux exactions de la populace.

Seize the opportunities offered by the energy transition. Globally, more and more major players and governments are committing to accelerate the evolution of the energy and utility ecosystem to a green, circular and carbon-neutral balance.
