

Durham, NC - NET Power Inc. (NYSE: NPWR) ("NET Power" or the "Company") today reported results for the first quarter of 2024. Danny Rice, Chief Executive Officer of NET Power, commented, "The urgent need for clean, reliable and affordable energy requires game-changing, innovative solutions like NET Power.

Although Lesotho currently trades exclusively with South Africa's Eskom (i.e. it is a net importer of electricity), Lesotho is a member of the Southern African Power Pool (SAPP), which should, in theory, allow an IPP based in Lesotho to access other buyers of electricity. However, Eskom
