Explore Next Supower's innovative home energy storage solutions tailored for the Philippines. Enhance your energy independence and sustainability with our residential energy storage systems, designed to meet the unique needs of Filipino households.

Last week, Sungrow announced the signing of a landmark agreement with Citicore Renewable Energy Corporation (CREC) for 1.5 GWh of its PowerTitan2.0 energy storage system. CREC plans to integrate the batteries into its operating 302 MWp solar power project, enhancing its efficiency and sustainability.

Learn how GSL Energy provided a reliable 10kWh Wall Lithium Battery and Deye hybrid inverter solution for a home in the Philippines, ensuring uninterrupted power supply and energy efficiency.

6 ???· Hefei, China (ANTARA/PRNewswire)- Sungrow, the global leading PV inverter and energy storage system provider, announced the signing of a landmark agreement with Citicore Renewable Energy Corporation (CREC) for 1.5 GWh Battery Energy Storage (BESS). This collaboration marks the largest BESS supply agreement in Southeast Asia to date.

Citicore Renewable Energy Corporation (CREC) pushes forward with the development of its Battery Energy Storage Systems (BESS) through a recently signed supply and services agreement with Sungrow Power Supply Co., Ltd. (Sungrow), the global leading PV inverter and energy storage system provider.

6 ???· The cutting-edge energy storage solutions will be integrated into CREC's solar power projects, enhancing the efficiency and sustainability of renewable energy in the Philippines.

Solis has been dedicated to providing effective, cost-efficient, and reliable energy storage solutions, and with features designed to cater to a wide range of power demands, these inverters redefine residential energy resilience and sustainability.
