

Are solar PV roof tiles a good choice?

An ideal choice for both roof refurbishments and new-build projects, Solar pv roof tiles provide an uncluttered aesthetic with no visible brackets or racking, as well as easy maintenance and our market-leading 15-year guarantee. Marley SolarTile®; can be fitted as part of a typical roofing project and installation is fast.

What is Metrotile eQube solar tile?

Metrotile are revolutionising the solar roof system, with a brand new, fully integrated solar tile entitled the 'Metrotile eQube Solar Tile'.

How do I install roof-integrated solar panel roof tiles?

Roof-integrated solar panel installation is a simple process with Marley SolarTile®; - just secure the fixings, place the first tile, push-fit additional tiles and then attach final fixings and flashings.

Are integrated solar panels easy to install?

Integrated solar panels are also easy to install as a retrofit option. Simply remove the necessary section of roof tiles or slates, and replace with the solar panels. All that is left is to retile up to the flashings for a fully roof integrated solution.

Can solar roof tiles be used as a roof covering?

Solar Roof Tiles act as both a roof covering and electricity generating solution. Interested? Click here to request more information Buy online Marley SolarTile roof panels replace standard roofing tiles or slates, giving you the benefit of both a weatherproof roof covering and electricity generating solution.

What should I consider when buying solar slate & tiles?

When purchasing solar slates or tiles, consider the warranty length offered and the materials used. Some products only offer 10 year warranties, which would not really be acceptable for any other sort of roofing product. Products which rely on plastics, adhesives or flexible solar cells will all have a reduced life-expectancy.

The PV solar tiles also provide excellent weather-tightness and wind resistance, without the need for extra roof batten support, adhesive flashing rolls or fireproofing materials. The certified wind resistance for Marley SolarTile®; is ...
