Polypropylene battery box Slovenia

Our plastic battery boxes are constructed with injection-molded heavy-duty polypropylene. Unlike most other plastics, it is not affected by battery acid. They are made in the USA at our factory in Holland Ohio. Each battery box includes a lid and a hardware mounting kit.

The Traveller Lynx Battery Box keeps your batteries safe. Made from polypropylene, the battery storage box is durable enough to protect your batteries and features a vented design for added safety. It's ideal for marine and commercial applications.
