

Qatar instalacion panel solar

The success of our approach speaks for itself. We have developed solar systems installations across Qatar and these are increasing in size and number with each passing year.

Qatar General Electricity and Water Corporation (KAHRAMAA) has launched a new service called BeSolar for installing distributed solar energy systems, under the theme Qatar's Sun, a Sustainable Future.

We offer an end-to-end solution model for solar power plants with our project design, installation, and operation services. We provide high-quality engineering and professional support for administrative and legal processes.

Salzburg is Qatar's leading solar installation company, offering expert solar energy solutions for homes, businesses, and industrial projects. With a focus on sustainability, we deliver seamless installations, premium materials, and maximum energy efficiency.

At Al Annabi, we offer a wide range of solar products and services, from solar panel installation to solar system maintenance. We also offer financing options to make going solar easy and affordable. Al Annabi is the leading solar company in Qatar, with over 10 years of experience in the solar industry.
