

In 2013, Rex Energy was established and separated as an experienced turn-key renewable energy project developer and service provider that specialises in solar energy deployment. Its main function is to engage in large scale capacity solar projects in Tanzania e.g. mini-grid projects and solar farms.

Thomas C. Stabley was appointed Chief Executive Officer and a director of Rex Energy's board in October 2011 and President in August 2015. Mr. Stabley was a co-founder of Rex Energy in 2004 as CFO and made significant contributions to its initial public offering in 2007. Since the company went public, Mr. Stabley has played key roles in ...
