

# Romania soltech energy ab publ

What does soltech do?

Soltech collaborates with several other actors on the market to find new opportunities for new green energy solutions and how we together create the next generation of sustainable energy systems. Soltech is a solar energy group with combined experience in electrical engineering, roof, facade, charging, storage and solar energy industries.

What is soltech energy Sweden AB (publ)?

A market where Soltech have a leading part and will continue to keep that position in the future. Soltech is a comprehensive supplier that develops, sells, installs and optimizes solar energy solutions for the customers' needs. Soltech Energy Sweden AB (publ), is traded on the Nasdaq First North Growth Market under the short name SOLT.

Where are soltech Energy AB subsidiaries located?

Our subsidiaries are located in Sweden, Spain and the Netherlands. Soltech Energy Sweden AB (publ), is listed on First North, Nasdaq Stockholm. The share is traded under the symbol "SOLT" and has about 78 000 shareholders.

Will soltech reach its revenue target in 2024?

In November 2019, Soltech communicated a five-year goal of reaching revenues of SEK 4.7 billion in 2024. Given that rapid growth through acquisitions is no longer the main focus, Soltech makes the assessment that the previous revenue target will not be reached in 2024.

How has soltech changed over the past 5 years?

Over the past five years, Soltech has increased revenues from approximately SEK 50 million to almost SEK 3 billion (the period Q4 2022 to Q3 2023) and is today a Group with 1,000 employees in three countries.

Why should you choose soltech group?

The Soltech Group's comprehensive offering with all these areas and our expertise in roofing, facade and electrical engineering has resulted in a strong position in our three markets. A position we look forward to strengthen to reach our new target of SEK 8 billion in revenues with 10 percent EBITA in 2028.
