The World Bank today released the fifth edition of its annual Liberia Economic Update, titled Powering Growth with Reliable, Affordable, and Sustainable Energy Access. The report offers a comprehensive analysis of recent economic developments in Liberia, underscoring the crucial role of reliable energy in fostering sustainable growth.

The goal is to create new development projects in collaboration with Saab, Hitachi Energy, and other partners at Pite&#229; Science Park in 2024. Saab and Hitachi aim to find new innovative solutions within materials and processes, recycling and sustainability, as well as lifespan and multifunctional materials. About Collab Composite:
