

Is it worth getting a solar storage battery?

A solar battery allows you to store electricity produced by your solar panels and use it later or, in some cases, sell it back to the grid to make a few quid - but they're not cheap. Read on to see if it's worth getting a solar storage battery for your home... This is the first incarnation of this guide.

What is a solar battery storage system?

Solar battery storage systems are designed to store the excess energy generated by solar panels during peak periods of sunlight. They provide a steady supply of electricity during short and cloudy days, which are typical during winter in the UK.

Which solar battery storage system is right for You?

The SonnenBatterie 10 is the perfect all rounder smart solar battery storage system for you if you're looking to integrate it into an existing PV system or build a new system. Because this battery comes in 3 different sizes (5.5kWh, 11kWh, or 22kWh), you're likely to be able to find one that fits your energy demand.

Should you use home batteries to store solar energy?

If you have solar PV panels, or are planning to install them, then using home batteries to store electricity you've generated will help you to maximise the amount of renewable energy you use. Storing your solar energy will reduce how much electricity you use from the grid, and cut your energy bills.

Why do I need battery storage for solar panels?

By clicking a retailer link you consent to third-party cookies that track your onward journey. If you make a purchase, which will receive an affiliate commission, which supports our mission to be the UK's consumer champion. Battery storage for solar panels helps make the most of the electricity you generate.

How do I choose a solar battery storage system?

When choosing and installing a solar battery storage system, make sure your installer is signed up to the Renewable Energy Consumer code (RECC) or the Home Insulation and Energy Systems Contractor Scheme (HIES), as this means you'll be covered should you need to make a complaint or claim.
