Who is Guangzhou NPP New Energy?

Guangzhou NPP New Energy Co.,Ltd is a specialized backup power products manufacturer with six permanent factories in China which are located in Guangdong, Hunan and Henan. The total investment is more than one hundred million dollars. All the five factories occupy around four hundred acres.

Who is Guangzhou NPP?

Guangzhou NPP New Energy Power Co.,Ltd is a specialized power product manufacturer, who have 4 permanent factories in China (Total area 400 acres) and one permanent factory in Vietnam (110 acres), and total investment is more than 100 M dollars.

Who is Guangdong NPP?

GuangDong NPP New Energy Co.,Ltd is a wholly-owned subsidiary of NPP Group. Specialized in lithium batteries (ternary lithium batteries, lithium iron phosphate batteries applied for power vehicles /UPS /telecommunications /solar systems etc), a full range of solar system products (solar panels, controllers, inverters, etc).

What is NPP New Energy?

NPP takes customers' satisfaction as its mission, and thus impels it to push technical innovation, strictly quality control, and so as to satisfy diversified demand from all over the world. NPP New energy has shaped the world of energy storage technology of Seal Lead Acid battery and Lithium manufacturing experience.

What is NPP group?

NPP group is an international enterprise which is specialized in R&D, manufacturing, marketing of renewable energy products, with total investment of 150 million US dollars.

How many NPP factories are there in Vietnam?

All the five factories occupy around four hundred acres. NPP Vietnam factory in construction since 2016, totally cover an area of one hundred acres. NPP covers whole series of Sealed Lead Acid Batteries, which include general type, Deep cycle type, Gel type and etc, And also whole series of Lithium Batteries and cells.

GuangDong NPP New Energy Co., Ltd is a specialized power products manufacturer with three permanent factories in China which are located in Guangdong, Hunan and Henan. The total investment is more than one hundred million dollars. All the three factories occupy around four hundred acres. NPP
