

The capacity charge agreement project with Infinity Power plays a pivotal role across both operational and financial levels through a long-term guaranteed performance to provide increased grid stability, integrate renewable energy into Senelec's electricity grid and empower Senegal in becoming an independent power producer."

Infinity Power, Africa's largest pure play renewable energy provider, focuses on utility-scale solar and on-shore wind technologies. With a strong presence in Egypt, South Africa, and Senegal, they aim for sustainable power generation and a reduction in CO2 emissions for a better future.

Senegal's national electricity company Senelec has entered into a 20-year capacity charge agreement with Infinity Power, a joint venture between Egypt's Infinity and the UAE's Masdar, to establish a battery energy storage system.

Infinity Power, a joint venture between Egypt's Infinity and UAE's Masdar, announced today the signing of a 20-year Capacity Change Agreement with Senelec, Senegal's national electricity company to supply 40MW through a battery energy storage system (BESS).

Infinity Power, a joint venture between Egypt's Infinity and UAE's Masdar, announced today the signing of a 20-year Capacity Change Agreement with Senelec, Senegal's national electricity company to supply ...

Senegal's national power utility firm Senelec has recently signed a 20-year capacity change agreement (CCA) for a 40MW/ 160MWh (4-hour) battery energy storage system (BESS) project with clean energy developer Infinity Power.

Infinity Power, a joint venture between Egypt's Infinity and UAE's Masdar, has sealed a 20-year capacity change agreement related to a 40-MW/160-MWh battery energy storage systems (BESS) project with Senegal's national electricity company Senelec.

Le BESS sera installé au parc solaire Taiba N'Diaye d'Infinity Power, situé à environ 70 km au nord de Dakar. Actuellement, ce parc solaire fournit déjà une capacité de 158,7 mégawatts d'énergie solaire propre et renouvelable ; ...
