

South Sudan rept battero energy co ltd

Where is Rept Battery Energy headquartered?

REPT BATTERO Energy Co.,Ltd. was formerly known as REPT Energy Co.,Ltd. and changed its name to REPT BATTERO Energy Co.,Ltd. in April 2022. The company was incorporated in 2017 and is headquartered in Wenzhou,China. Xiao Zhang A.C.I.S.,A.C.S.

Is Rept Battery A Tier 1 energy storage manufacturer?

REPT BATTERO has been awarded the title of Global Tier 1 Energy Storage Manufacturer by BloombergNEF for the fourth consecutive time! Proven quality and advanced technological capabilities are the keys to our widespread market recognition. #REPTLead #BESS #CleanEnergy #TIER1 #grid #solar

What are the new Rept battery offerings?

The new offerings include a host of lithium-ion battery cells powered by REPT's proprietary Wending technology designed to prolong the charge cycle and boost performance, alongside two brand-new battery clusters - COOL I and COOL II.

The company is mainly engaged in the R D, production, and sales of lithium-ion batteries for power vehicles and energy storage from single cells to system applications. The company provides solutions for power battery systems for new energy passenger vehicles, commercial vehicles, special vehicles, construction machinery, ships, and aircraft.

The product range spans from 50Ah to 625Ah models, meeting diverse user needs. According to public data from InfoLink Consulting, REPT BATTERO ranked third globally in energy storage cell shipments and second globally in small energy storage cell shipments in the first half of 2024, achieving outstanding results in the energy storage market.

providing solutions for new energy vehicle and smart energy storage system. REPT BATTERO develops innovative products and services to accelerate the global green energy transformation. The company has R& D centers in Shanghai, Wenzhou, and Jiaying, and production bases in Wenzhou, Jiaying, Liuzhou, Foshan, and Chongqing.
