

## **St Vincent and Grenadines solar panel wholesale distributors**

Solife Inc. is a privately held EPC company located in St. Vincent and the Grenadines. We have been in operation since 2011 and have completed 3.8 MW of solar system installations on the island, and have consulted/assessed over 40 MW of Solar systems regionally.

What is an Electric Panel for Solar Plants? Electrical panels consist of various connectors and switches that regulate the current flow from the solar power plant to the circuits. In simple terms, solar panels are interconnected to one point, after which the electrical panel and the circuit breaker act as a barrier. All the appliances and electrical equipment are present after this ...
