

Sun king distributors Comoros

Where can I buy Sun King products?

Sun King products are also available for purchase online, and can be found in major stores like Jumia in Kenya, Nigeria, and Uganda, Amazon, IndiaMART, and Flipkart. Our network of trusted partners, from telecom companies like Orange to social enterprises like One Acre Fund, stock and sell Sun King products across 60 countries.

What makes Sun King a great solar company?

The company's customer-focused approach and commitment to affordability drove its rapid growth across Africa and Asia. Today, Sun King operates the world's largest direct-to-consumer, pay-as-you-go (PAYG) solar distribution network, growing by 150,000 new clients per month across seven countries.

Is Sun King a profitable company?

Despite its rapid expansion, Sun King has remained consistently profitable. According to GOGLA, the global association for the off-grid solar energy industry, Sun King now accounts for 38% of industry-wide PAYG solar revenue. This growth has eliminated 22 million tons of carbon dioxide emissions and saved consumers \$4.4 billion in energy costs.

Why is Sun King a leading solar provider in emerging markets?

Sun King's growth has been supported by strategic partnerships. Collaborations with companies like Verto and Citi have made solar energy more attainable by offering customers flexible payment plans. These alliances have strengthened Sun King's position as a leading solar provider in emerging markets.

Is Sun King profitable in Kenya?

In Kenya, one in five people use Sun King, with 18 million Kenyans benefiting from its operations over a decade. The company's user base in Nigeria tripled in just one year. Despite its rapid expansion, Sun King has remained consistently profitable.

How did Sun King expand in India?

The company quickly expanded, using local agents, known as "Sun King Saathis," to reach off-grid communities in India. Sun King's early success in India paved the way for expansion into Sub-Saharan Africa, where they replicated their direct sales model in countries like Kenya and Uganda.
