Who is Sun Power Systems?

Sun Power Systems is the leading manufacturer/marketer/supplier of one of the most advanced solar PV modules in India. With a registered office in New Delhi, the company has a distinct vision of quality production and distribution excellence, powered by servicing aptitude since 2013.

What is Sun Gen?

Sun Gen is an innovative company that specializes in solar energy, with a 75% overall yield. SUN GEN Srl, founded in 2008, has developed an optics system that concentrates sunlight over 500 times by reflecting surfaces with a proprietary curvature. The optical concentration of Sun Gen is lightweight and robust, and lends itself to mass production at competitive costs.
