What is sunphase Primax?

Sunphase Primax showcases a thin profile double-glass constructionthat yields higher power and superior aesthetics that are a perfect complement to roofs,carports,and canopies. Primax uses a highly scalable process to deliver high-output solar power at a very competitive Levelized Cost of Energy (LCOE). (Products: SPH-DEG18C.20)

Like the islands themselves, places to stay in Wallis and Futuna are small and friendly. In Wallis, visitors have a choice of small quality family hotels, a bed and breakfast, an inn and a guesthouse. Each hotel offers guests a catering service, and there are also restaurants and snack bars on the island.

The Global Solar Atlas provides a summary of solar power potential and solar resources globally. It is provided by the World Bank Group as a free service to governments, developers and the general public, and allows users to quickly obtain data and carry out a simple electricity output calculation for any location covered by the solar resource ...
