Arabtec's history is a narrative of milestones, marking our growth and leadership in the industry. From our early beginnings in the United Arab Emirates, we've expanded globally, undertaking ambitious projects that have reshaped skylines and communities alike.

Saudi Arabia, situated in the Arabian Peninsula, is predominantly arid, with diverse terrain ranging from mountains to desert. The population of 36 million is concentrated in urban centres such as Riyadh and Jeddah, with vast, sparsely populated desert areas in between. This uneven population distribution presents challenges for infrastructure provision.
