Conclusion: FAR Ltd, Woodside Energy, and The Gambia's Future. The Gambia's rightful share of the oil and gas resources in the Senegal/Gambia sub- basin has been sacrificed due to FAR Ltd.'s incompetence and the complacency, if not the lack of action from companies like Woodside Energy, Petrosen, and Petronas.

Woodside Energy Group Ltd is a global energy company. Its segments include Australia, International and Marketing. The Australia segment is engaged in the exploration, evaluation, development, production and sale of liquified natural gas, pipeline gas, crude oil and condensate and natural gas liquids in Australia.
