The name of the Solar Eclipse Phenomenon in the local Tetun language is "Loron Mate", which literally means "The Sun dies". Isn't that an awesome name? The Government of Timor Leste had ordered upwards of 100.000 eclipse-viewing glasses for its citizens, but getting them into the hands of the Timorese in rural and remote areas had proven difficult.

The eventual intervention of an international peacekeeping force helped restore order and pave the way for Timor-Leste's independence. In 2002, the country officially declared independence and remains Asia's newest ...
